

Walk and Talk

words & music by Scot Cannon

**All I know is,
what you told me.**

**When,
I was a kid.**

**You seemed to know what,
I was thinking.**

**And
You knew everything I did.**

**When I think back to when I hurt inside.
You told me I could cry.
If I did something that was just not right,
you told me not to lie.**

**If we walk and we talk we can make it right.
If we walk and we talk there's no need to fight.
If we walk and we talk we can make it right.
If we walk and we talk we won't be up all night.**

**Some days when kids,
used to call me names.**

**And,
just be cruel.
I wanted to fight.
I wanted not to like,
everything in school.**

**You told me that I should not stay so mad.
To tell you what I felt inside.
Let's take a walk,
down that street and try to talk.
Let my heart say what's in my mind.**

**If we walk and we talk we can make it right.
If we walk and we talk there's no need to fight.
If we walk and we talk we can make it right.
If we walk and we talk we won't be up all night.
Won't be up all night.
Up all night. Up all night.
Won't be up all night.**
